Packing and Shipping:

Packaging and Shipping for USB LED Light Bulbs

Our USB LED light bulbs are carefully packaged and shipped to ensure safe delivery. They are individually packed in protective material, such as bubble wrap, to keep them safe in transit. The package will also include the necessary components for installation and use. We ship via USPS, UPS, or FedEx, whichever is the most cost effective for our customers. We provide tracking information to our customers upon request. We strive to ship within 2 business days of receiving an order.
